

## **2009-2010 PEST MANAGEMENT ALLIANCE GRANT**

Grant Process Questions & Answers for January 26 – February 5, 2009

- Concepts -

**1. If awarded a proposal, would the grantee have the choice to invoice monthly or quarterly?**

Yes, the grantee can invoice monthly or quarterly.

**2. Will DPR pay a grantee for work done in the case that sufficient funds are not appropriated for the program?**

DPR anticipates grants will be fully funded by passage of the 2009/2010 budget.

**3. Does DPR reserve the right to modify an agreement at any time, for any reason, without agreement from the grantee?**

Modifications to grant agreements are bilateral and science based.

**4. Previous state grants have had a termination clause that stated that the grant can be terminated by either party. Under this agreement the termination clause only addresses termination by DPR, is that intent? Furthermore, will DPR pay for work done up to the date of termination?**

Yes, agreements will be terminated based on cause (has to be serious). All previous approved work performed will be paid.
